

Community Emergency Response Team

FREE Online/Hybrid CERT Academy

Practical Dates

November 12th and 19th, 2022
8 am to 5 pm

Participants Must Attend Both Days

Open to all residents of the San Miguel Fire District. Registering gives you access to the online training portion and allows us to communicate with you in preparation for the in-class, hands on, practical portion of your training.

Start and complete the online training, print your certificate and bring it to the hands-on, practical portion of the training. Once the practical portion is completed you will be issued an official certificate of course completion.

Online CERT Training

- Access it on your **mobile device or computer**.
- Complete it at **your pace** and at **your convenience**.
- Course progress will be saved and can be resumed later.
- Online Course Time = 12 hours
- In-Person, Practical Training = 16 hrs

The Basic CERT Training teaches you basic disaster response skills so you can safely help yourself and those around you when disaster strikes and when professional responders aren't available. Learn how to protect yourself, your loved ones, and your community.
