5	4	ICISF Peer Support Training	\$0	\$2,700	\$2,700		\$2,700	100.0%	<p>The stresses faced by fire service members throughout the course of their careers can have a cumulative impact on mental health and well-being. Peer support programs have been demonstrated to be an effective method for providing support to occupational groups, including firefighters. Chaplain programs offer yet another vehicle to provide support to our individuals who have been exposed to emotional trauma. The District's new Peer Support/Chaplain Program is an opportunity to provide support and an outlet for our personnel. There are profound impacts of emotional trauma that our people face every shift.</p>
